

7 February 1979

MEMORANDUM FOR: The Director of Central Intelligence

FROM : Presidential Briefing Coordinator

SUBJECT : Transfer of Responsibility on  
"Arms Control Monitoring" [redacted]

25X1

1. For your information I have resurrected the topic "Arms Control Monitoring" and transferred primary responsibility for it from the Presidential Briefing Coordinator to the NFAC Requirements and Evaluation Staff (RES), specifically to [redacted]

25X1A

25X1

2. No one office is responsible for keeping track of all the requirements for all the agreements, but the RES is as good a place as any to be the focal point to coordinate NFAC, DD/S&T, CTS, etc. in pulling together a broad picture on our ability to monitor arms control agreements. [redacted]

25X1

3. The attached package is forwarded for your review in preparation for a Presidential briefing on the topic. [redacted]
